BEFORE THE WEDDING

We recommend that you book in for a consultation or trial with your stylist 1-2 weeks prior to the wedding, allowing you to communicate and plan your desired look before the big day.

At that time, please bring any hair accessories or extensions you plan on using for the wedding. It's also a good idea to bring photos of your dress and a few potential hairstyles.

Any hair cutting or coloring should be done 1-2 weeks prior to the wedding.

THE DAY BEFORE THE WEDDING

Be excited!!!

Shampoo and blow dry your hair with minimal product. No flat ironing as this can affect how your hair will hold or curl the following day.

ON THE WEDDING DAY

Today is the big day and we are so happy we get to be a part of it!

Those booked for updos, DO NOT wash your hair. A shampoo is not included with service. Working with the hair's natural oils allows for a cleaner finish to your bridal up do.

Wear a zip up sweater or a shirt that does not go over your head.

Please arrive for your appointment on time. If any member of the bridal party is late, the lost time will compromise the quality of the bridal parties' complete look.

If you haven't met your stylist yet, be sure to bring pictures to aid in communicating the look you want. Remember, time will be of the essence.

Too ensure your services go smoothly; please share all of this information with your bridal party.
